Chapters

The Best that SWANA Has to Offer —
On a Local Level

Membership in your local chapter is one of SWANA's most valuable benefits. Each of our current 45 chapters was formed with one goal in mind – to give you, as a member, a unified voice where it matters most: your own back yard!

Led by dedicated volunteers, each chapter works diligently to keep their members informed, excited and proud to be a part of SWANA. Many have their own newsletters, sponsor local tours and advise their elected officials on behalf of the MSW profession.

This is just the beginning of what your local chapter has to offer. SWANA's local chapters are continually one of the top reasons that members decide to renew!

One phone call is all it takes to join today!
